VOTE FOR MIKE PALLADINO FOR BEDFORD TOWN COUNCIL

A True Bedford Love Story

Mike moved to Bedford in 2016 but has ties dating back over two decades including being a Camp Counselor at the Bedford Hills Day Camp where he entertained campers at the very same Community House that is now right outside his living room window. His first job out of college – a sports marketing firm on Adams Street – was where he met his now wife, Nell.

Service Before Self

Motivated by his profound engagement in the community, Mike seeks a Town Board seat to provide Bedford residents with enhanced representation and commitment.

“I come with a neighborly spirit, not a politician’s agenda.”

-Mike Palladino

Mike's Diverse Experience

Professionally: A results-driven marketer who's propelled early-stage enterprises through rapid growth phases and secured successive fundraising, lucrative acquisitions and strategic exits

Personally: A devoted husband to his best friend and wife, Nell - a Surgical PA at Norwalk Hospital. A Brother to two distinguished heroes - Police Officers in Yorktown and Dobbs Ferry. And a proud Godfather to his nephew Jack and niece Mia

Patriotically: A United States military veteran who proudly served in the Air Force as an Avionics Guidance and Control Systems NCO
